

City of Newark
Building Department
Contractor Permit Submission Guide

Construction Permit Submission Checklist

This guide outlines the required documentation and approvals for submitting a construction permit application. Please review and confirm all applicable items before submission to avoid delays.

1. Technical Sheets

- **Building Technical Sheet** – Include architect-signed and sealed area & volume letter for new construction
 - **Electrical Technical Sheet** – If electrical work is involved
 - **Plumbing Technical Sheet** – If plumbing work is involved
 - **Fire Technical Sheet** – If applicable
 - **Elevator Technical Sheet** – If applicable
 - **Completed Certificate of Occupancy Application**
-

2. Drawings and Contractor Licensing

- Two sets of signed and sealed architectural drawings
 - Home Improvement Contractor License
 - New Home Builder License (1 & 2 Family New Construction)
 - City of Newark Contractor License (Commercial)
 - State Electrical Business License
 - State Plumbing License
 - HVAC Contractor License
-

3. Fire Protection (If Applicable)

- Fire Technical Sheet for sprinkler contractor (3 family or more)
 - Fire Protection Contractor License
 - Sprinkler shop drawings (2 sets)
 - Hydraulic calculations
 - Fire Technical Sheet for water heater installations & replacements (2 family or more)
-

4. Energy Compliance

- **REScheck report** – Residential
 - **COMcheck 90.1 report** – Commercial
-

5. Additional Approvals

- **Zoning Approval** – 973-733-6333
 - **Soil Erosion & Sediment Control Certification** – If required (Christopher Wade, 920 Broad St, Room 412)
 - **PVSC Approval** – If applicable
 - **Water and Sewer Connections** – 973-733-8151 or 973-733-3896
 - **Utility Dig** – 1-800-272-1000
-

6. Most Common Submission Mistakes

- Applications submitted without signatures
- Contractor licenses missing, expired, or unsigned
- Permit scope does not match submitted plans
- Missing technical sheets for applicable trades
- Plans not signed or sealed by the design professional
- Missing zoning or outside agency approvals
- Missing water or sewer payment receipts
- Avoid scratching out or using white-out
- Use **black or blue ink only**

Tip: A complete submission helps the Building Department process permits faster and avoid delays.
